This image shows a full page of graph paper. It features a uniform grid of squares. At the bottom-left corner, the number '16' is printed vertically next to the first column line, and '46' is printed horizontally next to the first row line. At the opposite bottom-right corner, the number '39' is printed vertically next to the last column line, and '26' is printed horizontally next to the last row line. The rest of the page is filled with the grid pattern.
